

Camping NORD SAM – “Reservation Conditions”

RESERVATION: A reservation is only required during long weekends and the month of July, August, and December because we always have vacancies available during the other times. Except for tourist parties. Tourist parties must always reserve in due time, whatever the season. We only accept reservations that are made via Internet, by means of a completely filled in form.

RIGHTS REGARDING RESERVED SITES: The booked site is available for you as of 10:00 a.m. on your day of arrival and must be cleared by 12:00 noon on your day of departure. If no deposit has been paid, the respective reserved site remains reserved until 4:00 pm in July & until 3:00 pm in August and until the reception closes during the other months. You no longer have any rights to the respective site after the aforementioned times. Due to organisational reasons, it is not possible to be able to reserve a specific site, sites that are adjacent to one another or a certain sized site. However, we do try our best to accommodate your requests in the best possible way.

DEPOSIT: By making a deposit at least **seven days before arrival**, your pitch will be bindingly reserved for you by the reception closing time at 8.00 pm. In order to reserve a site, a deposit to the amount of **EUR 55.00** reservation cost must be transferred per reserved site.

The deposited sum will be credited to your bill on site (**EUR 5,00 booking fee will be retained**). If you should arrive after 8:00 p.m., we can't guarantee that the reserved site is still available, and your deposit can't be refunded. Payment is performed exclusively via bank transfer; no credit cards or checks are accepted (*due to high charges for transfers from non-European countries we recommend to send the money by post*). Please transfer the deposit to the specified account. Please observe that we can only credit the respective sum to your bill that has previously been transferred to our account.

Possible bank charges must be covered by your account.
